

**Letter No: TDP/DRISHTI/CPS/L2M-2.0/2023-24/0002**

**Date: 29/01/2024**

**To:**

Prof. N. Sriraam  
Professor, Medical Electronics Engineering  
M.S Ramaiah Institute of Technology

**Subject: Decision on your Project Proposal**

Dear Prof. Sriraam,

This is in connection with the project proposal titled "**Design and Development of Wireless Flexible Electronics Nasal- WiFlen Mask for Respiratory Breathing Assessments**" having application number (**IITI-823254**) submitted by you for funding under the Lab to Market 2.0 Scheme of Technology Development Program of IITI DRISHTI CPS Foundation.

The proposal was reviewed based on relevance to CPS, coverage of simulation, modelling, and visualization aspects, the potential for commercialization, novelty, support from the industry, and the feasibility of the goals while addressing the overall targets of the scheme. In addition, the return on investment is the most important focus while scrutinizing the proposals.

We are delighted to share with you that your project proposal has been selected for funding under Lab to Market 2.0 scheme of Technology Development Program.

Once again Congratulations to you on the selection of your proposals for further consideration for funding. Wishing you the best of luck!

Looking forward to having a wonderful association with you.

Program Manager  
IITI DRISHTI CPS Foundation
